Mikkel Markussen
Managing Associate

As part of Schjødt's Asset Management and Investment Funds practice, Mikkel advises domestic and international investment funds and asset managers on all aspects related to the establishment and operation of investment funds, including GP-led secondary transactions, continuation funds, and GP-staking. In addition, Mikkel counsels institutional and other professional investors on investments in, and co-investments with, alternative investment funds, as well as on LP-secondaries.

Prior to joining Schjødt in September 2025, Mikkel gained extensive experience during more than 5 years as part of the leading investment funds team at Accura Advokatpartnerselskab where he advised on the following: Copenhagen Infrastructure Partners on the establishment of CI Microgrid Electrification Fund I (CI MEF I). Heimdal Nordic on the establishment of Heimdal Credit Fund. The anchor investor consortium on its investment in AIP V.

He holds a Master of Science degree in Commercial Law and Business Administration from Copenhagen Business School.
