Camilla Grytten

Partner

Camilla is specialised on energy/petroleum law and contract law. She has in-depth knowledge of the legal aspects of the oil & gas industry, with industry background as counsel to Norway's largest energy company, Equinor, and E&P major ConocoPhillips, among others. She advises E&P companies and other oil & gas clients on regulatory matters, JOA / JV issues, complex commercial contracts, projects & procurement, transactions, disputes, and more. Camilla also advises contractors and subcontractors. Her practice includes advising on legal matters relating to renewable energy projects and low-carbon solutions, such as offshore wind and carbon capture and storage (CCS/CCUS). Camilla is a member of the Norwegian Bar Association's Energy, Hydropower and Oil and Gas Law Committee.
