## Christian Bjørn-Hansen

### Partner

Christian has vast experience within all matters related to commercial real estate. His focus is primarily related to real estate transactions in all segments of real estate, structuring of real estate portfolios, development projects, real estate joint ventures, data center projects, together with lease agreement negotiations. Christian has further extensive experience in serving international clients on their real estate investments in Norway. Christian joined Schjødt in 2022 and has for many years been ranked as a leading and recommended individual in international rankings, including Chambers and Legal 500.
