August Ysander

Senior Associate

August specializes in capital market transactions, M&A, and general corporate advisory. He has experience advising clients on a variety of capital market transactions, including rights issues, private placements, and IPOs, as well as both private and public M&A transactions.

He also has experience advising both private and public companies on corporate governance matters, for example in connection with general meetings and incentive programs.

August joined Schjødt in 2025. Prior to that, he worked for several years at another Stockholm-based law firm.

He holds an LL.M. and a BSc in Business and Economics from Lund University.
