Victor Schultz-Sørensen

Managing Associate

Victor specialises in advising Danish and international companies on complex acquisitions and divestments, with extensive experience in navigating sophisticated transaction processes across a range of sectors. He has significant experience in private equity and venture capital transactions where he assists funds and portfolio companies throughout the process from negotiation to completion.

In addition, he has broad experience in providing advice on general commercial and company law matters, assisting Danish and international companies with a broad range of ongoing corporate and legal issues.

Practice Areas
