Henrik Selvikvåg Høines

Partner

Henrik advises clients on a broad range of matters within intellectual property law, technology, and dispute resolution. Henrik has extensive experience across all major areas of IP law, including patents, trade marks, designs, and copyright, as well as matters arising under the Marketing Control Act and the Trade Secrets Act. He regularly represents clients in dispute resolution proceedings before the Norwegian courts.

Henrik also advises on a wide range of IP, software and other technology agreements, including contracts relating to the development, commercialisation and licensing of technology. He has particular expertise in technology-intensive transactions and the commercial aspects of bringing technology to market. His broad expertise in intellectual property and technology law, makes him a trusted adviser to clients navigating complex legal challenges at the intersection of innovation, commerce, and law.
