Karin Krantz

Counsel

Karin advises on all aspects of labour and employment law with a special focus on the financial sector and its incentive schemes. She is used to leading cross boarder restructuring projects within the work force and handle complex employment law cases within wind downs and poor performance.

Karin has worked a decade at the Nordic region's largest financial services group as an in house lawyer and has also a background as a lawyer from one of Sweden's leading law firms. Karin has also done clerkship within a Swedish court.
