Bergen

Ingvild Sander

Associate

Ingvild is part of the M&A department at Schjødt and is also affiliated with the firm's Dispute Resolution, Litigation & Arbitration practice.

Ingvild specialises in the energy sector. She has experience from transactions in the energy and power industry and advises on regulatory and framework conditions relating to renewable energy, including hydropower, wind and solar energy. She also has trial experience from complex commercial disputes.

Prior to joining Schjødt, Ingvild worked as an associate at SANDS law firm and as a trainee at several other law firms. She holds a Master of Laws degree from the University of Bergen (UiB) and spent a semester on exchange at the Università degli Studi di Milano.
