Geir Sand

Special Advisor

Geir holds more than 25 years' experience within real estate, real estate transactions and property development for several of the most important companies within the Norwegian Real Estate Industry.

His experience include legal advice related to some of the largest real estate development projects and real estate transactions carried out in Norway. Geirs work covers all phases of a typical real estate projects, including real estate development, transactions and infrastructure projects.

For several years, Geir has been rated as a leading real estate specialist (e.g. Chambers, Legal 500 and PLC).

Prior to joining Schjødt, he was partner in another major Norwegian law firm. He has been head of office in the Norwegian Competition Authority and worked as associate with the law firm Sullivan & Cromwell in New York.
