Jeppe Songe-Møller

Partner

Jeppe is partner with focus on IT/technology, AI, and digitalization.

His principal areas of work are data protection, cybersecurity, digital rights, licensing, as well as investigations, eDiscovery, disputes and appeals for the supervisory authorities.

Jeppe is a seasoned advisor to corporate and entrepreneur clients in contract negotiations, large transactions, and industrial investments. He assists international groups and key players within a range of sectors and industries, including IT, telecom, media, e-commerce, finance, retail, and health. He regularly gives advice within trade control, national security issues and foreign direct investment (FDI) screening.

Jeppe joined Schjødt in 2007, is a graduate of the Faculty of Law of the University of Bergen and holds a Master of Laws (LL.M) of King's College London. He has worked as legal advisor/acting head of section in the Norwegian Communications Authority (Nkom) focusing on mobile, satellite and broadcasting markets.

Jeppe has extensive experience as lecturer and course leader on GDPR compliance, e-commerce, customer loyalty programs, and related matters. He was ranked no. 1 "Up & Coming"-lawyer on GDPR in The Norwegian Financial Daily's annual lawyer rankings 2020-2024. He is mentioned as "commercial-oriented" TMT key lawyer in Legal500 2025. He is also ranked as recommended individual in the areas of data privacy and protection, cybersecurity, and information technology in Lexology Index (formerly Who's Who Legal). Jeppe was leader for JUC Data Protection and Privacy Expert Network 2022-2025.
