Stavanger

Iselin Nybø

Partner

Iselin is head of the employment law practice group. She has a background as Minister of Trade and Industry, Minister of Research and Higher Education and Member of the Parliament. She has a unique insight into policy making processes and public decision making processes. She assists clients in a wide range of business areas and has gained a role as trusted advisor for several companies. Her principal areas of work are in trade and industry and crisis management.

Iselin joined Schjødt in 2022. She graduated from the University of Bergen in 2006. Iselin is based in Stavanger, but she shares her time between the Stavanger and Oslo office.
