Victor Gabrielsen
Senior Associate

Victor specialises in both real estate transactions and property development cases. He particularly has experience with due diligence processes, acquisitions, real estate accountancy and various building law issues.

Victor joined the firm in 2021. Prior to joining Schjødt, he had traineeships at Schjødt and other law firms in Stavanger. He wrote his master thesis on the knock-for-knock principle in NTK 15. During his studies he specialised in shipping and contract law for offshore constructions.

He is a graduate of the Faculty of Law of the University of Bergen.
