David Gardner

Partner

David is a partner in the London office of Schjødt. He specializes in projects and disputes in the energy and transportation sectors, with a particular focus on LNG, renewables and floating production. He has over 25 years of experience advising on contracts for the extraction, processing, supply and transportation of oil, gas and renewable energy, and has been involved in some of the largest projects in this area. He has also advised on a wide range of disputes in these sectors.

David joined Schjødt in 2019 as the first partner in the London office and has been part of the growth and development of that office ever since.
