Oslo

Sigrid Ratvik Østvik

Associate

Sigrid works in Schjødt's industry department, primarily with fisheries and aquaculture, as well as general administrative law and corporate law.

Sigrid holds a Master of Laws Degree from the University of Oslo, where she specialized in aquaculture law and corporate law. While writing her master thesis on the regulation of biosecurity cooperation in the aquaculture industry, she worked as a scientific research assistant at the Nordic Institute of Maritime Law.

Sigrid has several years of work experience from the aquaculture industry and an in-depth understanding of the practical and legal questions related to aquaculture. She is engaged in both policy development and operational solutions to pressing matters in the industry.
