Anna Eide

Senior Associate

Anna works in Schjødt's industry department, primarily with intellectual property law, data protection, and marketing law. She has experience in protection of intellectual property rights and drafting, negotiating, and reviewing commercial agreements related to intellectual property rights and technology, such as licensing agreements and collaboration agreements. Anna has also worked with open source issues, dispute resolution and transactions relating to intellectual property rights as well as matters relating to data protection law, such as AdTech and drafting and reviewing data protection agreements, BCRs, and privacy policies.

Anna joined the firm in 2021 and holds a Master of Laws Degree for the University of Bergen specializing in intellectual property law. Before joining Schjødt, she had several traineeships in law firms.
